## HHC: Cable & Bar Cutter 6-13 Ton

**Product Type:**  
CUTTING

Hand-Held Cutting (HHC) tools for cable, wire and bar.

**Features**

**Cutting Tools for Cable, Wire and Bar**

- Two-speed pumping system for rapid blade advance
- Full 360° head rotation
- Compact, lightweight design for reaching tight places
- Twist release handle
- High-pressure safety relief valve
- Hinged flip-top head
- Easy blade replacement
- With tool bag

The patented 6-HHC Series and 13-HHC Series Portable Hydraulic hand-held cutting tools are durable two-speed cutters of long lasting construction. The insert-type cutter blades, top stationary blade and bottom advance blade can easily be replaced in the field with only a 1/2" blade screwdriver.
